Name: Green Coffee (All Natural)

Brand: Perfect Supplements

Size: 90 Vegetable Capsules

Description: Perfect Green Coffee has high content of polyphenol antioxidants providing protection to the body from harmful toxins and free radicals, may protect the body from developing disease and slow down the process of aging. Chlorogenic Acid makes Green Coffee Bean Extract so effective. After a meal, high amounts of glucose are released into the bloodstream and our body, in turn, burns this glucose for energy. If we don't need the energy, we end up storing the glucose as fat. With all that glucose in the bloodstream the body never needs to burn fat cells to make energy. Chlorogenic Acid has been shown to inhibit the release of glucose into the bloodstream, which means our body is forced to burn fat for energy. This process is called thermogenesis and it contributes greatly to weight loss.

Benefits: Healthy Weight Loss; Boost Metabolism; Healthy Blood Pressure; Cardiovascular Health; Healthy Blood Sugar Levels; Antioxidant Protection.

Perfect Supplements Benefits: 100% Pure and Fairly-Traded Green Coffee Bean Extract; No magnesium stearate, no rice, no fillers, no flow agents; Non-GMO; Gluten-Free; Vegan.

Name: Master Mineral Drink

Brand: Mitigate Stress

Size: 32oz Bottle | 8oz Travel Bottle

Description: The Most Bio-Available Form of Magnesium. Magnesium Bicarbonate is the best form of magnesium and is only found in liquid form. Due to industrialization and other factors, magnesium bicarbonate is virtually non-existent in our modern water supply. Our Magnesium is the market's most concentrated dose per ounce, combined with bicarbonate salts, potassium, and sodium.

Benefits: Magnesium is a mineral; minerals turn on enzymes and as one of the main electrolytes that run the entire body, controls over 3,700+ enzymatic reactions. For optimal function of digestion, hormones, energy levels, sleep, recovery, production of hormone D, mood, focus and pancreas function. Our body is made of trillions of cells; each one runs on the energy currency called adenosine triphosphate (ATP), so when magnesium is not present, all systems of the body can begin shutting down or not functioning properly.

Mitigate Stress Benefits: Our Magnesium is produced with a 5-day slow drip Co2 saturation process. No additives, fillers, or binders. Clear and purely sourced. Manufactured and processed in the USA. Gluten-Free and Vegan/Vegetarian friendly.
